

# REPLACEMENT NETS AND SAFETY INFORMATION

## SOCCER NET SELECTION

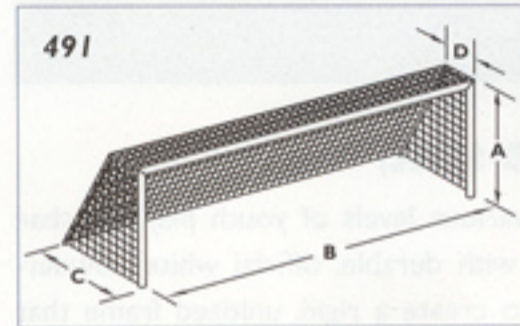

All nets are custom made for a proper fit on any style Porter soccer goal you select. Constructed of a #21 white nylon netting with a sewn perimeter tape edge for strength and durability. Nets are sold separately allowing you to choose the net with proper dimensions to fit your soccer equipment. Please review the options illustrated below. Nets are furnished in pairs. Net accessories such as backstays, net tie-down stakes, etc must be specified separately.

00490-824	8'	24'	8'	NA	No. 455, 465, 475, 485	\$216.00/pr

## CONSUMER PRODUCT SAFETY ALERT

- Always anchor goals, at the rear of the goal, per the manufacturer's instructions. Unsecured goals can fall over, causing serious injury or death.
- Never allow children to move soccer goals. Goals must be moved by authorized and trained adults only.
- Net tie-down stakes must never be used to anchor a soccer goal.
- Always use extreme caution when moving goals, and allow adequate manpower to move goals of varied sizes and weights.
- When not in use, chain and padlock goals to each other face-to-face, or to fence posts or other sturdy structures, to prevent tipping.
- Use movable soccer goals only on level (flat) playing surfaces.
- Never climb or hang on the net or goal framework.
- Remove nets when goals are not in use.
- Check all components and connecting hardware for structural integrity before every use. Replace damaged or missing parts and fasteners immediately.
- Always instruct players of safe behavior, and potential dangers associated with and around movable soccer goals.
- Ensure that safety/warning labels are clearly visible on goals at all times.
- If goals are repainted, contact Porter Athletic, Inc. for replacement labels.
- Fully disassemble goals for seasonal storage.

Contact Porter for Free Warning Labels for Existing Goals at 1-888-277-7778. Contact U.S. Consumer Product Safety Commission for a copy of guidelines for movable soccer goal safety.
