

**"I" BEAM PAD**  
 A convenient and safe way to cover exposed columns that may be intruding into usable gym space. This pad simply slips over a 6" to 8" wide "I" beam and is held secure by self-adhesive Velcro strips. The pad is 6' high, fabricated with 1-1/4" polyethylene foam filler and covered with a high-quality vinyl coated fabric.

**No. 00356-602 – "I" Beam Pad**

**CORNER PAD**  
 Pad is fabricated with 1-1/4" polyethylene foam filler for maximum protection on any outside corner. The pad is 6' high x 6" wide in each direction, and covered with a high-quality vinyl coated fabric. Self-adhesive Velcro for easy installation is provided with each pad.

**No. 00355-602 – Corner Pad**

**REMOVABLE STAGE PADDING**

An excellent choice for removable padding for the front of any stage. The 6' wide mat attaches to the face of the stage with Porter's No. 00144-440 stor-strips. Fabricated with 1-1/4" polyethylene foam filler

and covered with a high-quality vinyl coated fabric.

**No. 95057-000 – Removable Stage Padding**

**FLOOR HOCKEY CURTAIN PAD**

V-shaped pad is designed to lay in sections beneath the bottom pocket tube on all types of vertical lift gymnasium divider curtains to prevent floor hockey pucks from passing beneath the divider.

Pads are furnished in a semi-rigid polyethylene foam, covered in a durable polyester reinforced black vinyl material. Dimension of the pad in use is 4" high x 8" wide x 8' long. Pad is hinged to conveniently fold into a 4" x 4" x 8' long section with Velcro strips for ease of transport and storage. Pads are secured end-to-end with Velcro tabs when in use.

**No. 00357-012 – Floor Hockey Curtain Pad (8' long)**

**WALL STOR-STRIP**

For attaching stage padding or to double the use of folding tumbling mats as wall padding. Matching 1-1/2" wide, rigid Velcro is encased in an anodized aluminum strip frame for ease of mounting to a wall. Available in 4' lengths

with attachment hardware. Use with 1-1/4" thick folding mats shown on page 8 or to secure removable stage padding above.

**No. 00144-440 – Wall Stor-Strip (4' long)**

**COLOR SELECTIONS**

*(Colors other than the standard indicated above are available at a surcharge.)*
