

# FOLDING MATS

## TUMBLING MATS FOR EVERY SITUATION

Porter's folding mats are highly recommended for all physical education classes, recreation and tumbling. The 1-1/4" polyethylene foam filler offers a firm surface without sacrificing protection while students perform tumbling, handstands and other maneuvers that would be difficult on softer mats. The 2" thick mats designed for power tumblers are also manufactured using the polyethylene foam filler.

Porter also manufactures 2" thick mats for elementary tumbling. These mats are recommended for use where the extra softness provides comfort while satisfying the need for safety and protection. Panels are constructed using a 2" thick, 6 lb. density bonded foam filler.

All mats are manufactured with inverted seams to alleviate exposed fabric ends. Panels are 2' wide and sewn together to form the size mat needed. Velcro fasteners are 1-1/2" wide and applied to either ends or sides of mat as required.

### FLAT MAT TRUCKS

This versatile caddy is capable of moving all Porter mats and is the ideal teacher's aid. Constructed of an all-welded rectangular tube frame with 5" diameter non-marking swivel casters.

Front corners are padded with heavy-duty molded rubber protectors. Illustrated with optional handle attachment. Trucks may be easily attached in tandem for wrestling mats or for under stage storage.

- No. 00158-460 – 4' x 6' Mat Truck
- No. 00158-410 – 4' x 10' Mat Truck
- No. 00158-100 – Handle
- No. 00158-200 – Tandem Adapter

### 1-1/4" THICK FOR GENERAL TUMBLING (Polyethylene foam filler)

*(You may store 1-1/4" mats by using Porter's wall Stor-Strip found on page 7.)*

Size	Velcro Ends Only	Velcro 4 Sides	Weight
4' x 6'	No. 05053-460	No. 05054-460	16 lbs
4' x 8'	No. 05053-480	No. 05054-480	20 lbs
5' x 10'	No. 05053-510	No. 05054-510	30 lbs
6' x 12'	No. 05053-612	No. 05054-612	40 lbs

### 2" THICK FOR POWER TUMBLING (Polyethylene foam filler)

Size	Velcro Ends Only	Weight
5' x 10'	No. 05055-510	36 lbs
6' x 12'	No. 05055-612	48 lbs

### 2" THICK FOR ELEMENTARY TUMBLING (6 lb density bonded foam filler)

Size	Velcro Ends Only	Velcro 4 Sides	Weight
4' x 6'	No. 07053-460	No. 07054-460	38 lbs
4' x 8'	No. 07053-480	No. 07054-480	45 lbs
5' x 10'	No. 07053-510	No. 07054-510	68 lbs
6' x 12'	No. 07053-612	No. 07054-612	95 lbs

### COVERING SPECIFICATIONS

All folding mats are covered with a 14 ounce non-tear vinyl laminated material which has rip resistant qualities utilizing industrial polyester filament yarns. It is mildew and rot resistant and fortified with an infection combating fungicide, listed as flame retardant by the California State Fire Marshall according to method 5903 which is a rating comparable to the standards of UL-214 and NFPA-701.

### CAUTION/SAFETY NOTE

Porter's tumbling mats have been designed for physical education training and tumbling classes. Mats shown on this page are for tumbling type activities only and are not to be used as a landing mat or for any other purpose. Mats are not fail-safe and should not be regarded as the complete answer to eliminate or reduce injuries.

Use without proper supervision is dangerous and should not be undertaken or permitted.
